The range includes Water, Foam, CO₂ and Powder models and offers solutions for almost all situations. The internationally-recognised BS Kitemark is assurance of dependable design and manufacture.

COMMANDEREDGE

WATER FIRE EXTINGUISHERS

Water extinguishers still remain a popular choice for Class A fire risks. This model is Kitemarked and comes complete with a plastic base skirt for protection. Both models have passed the 35kVa Dielectric test and comply fully with BS EN3-7: 2004 Clause 9 - Dielectric test for water-based extinguishers. All CommanderEDGE extinguishers are screen printed and come with a 5-year warranty. Water – the economical, reliable choice for Class A fires.
